

CEA-HOW GLOBAL CONVENTION

WHY WE PAY

Conventions require months of planning, preparation, and money. Conventions are fun-filled joyful events in which we come together in fellowship and in support of each other and CEA-HOW as a whole. Since the event is held in a hotel, there is a charge for the use of the facilities. We must pay for full use of the facilities for the duration of the Convention regardless of how many members attend or how many activities they participate in. In addition, in order to use the facilities (meeting rooms, hospitality suites, discount sleeping room rates, etc.), the hotel requires that we guarantee a minimum number of meals and a minimum number of registered hotel rooms. When we do not meet our minimums, we lose our special group rates for rooms including the free Wi-Fi, parking, and use of the workshop and banquet spaces.

In the spirit of CEA-HOW unity, we support the fellowship, enhance our recovery, and ensure our Global Convention is self-supporting by registering for the Convention, signing up for the Special Events, and reserving a hotel room. Staying at the hotel adds an extra dimension and gives us an experience we can't get anywhere else.
